

University of Tennessee Coaches Clinic

January 29, 2011 - 9 a.m. - \$75 First Coach, \$60 Additional Coaches

UT Softball Stadium and UT Indoor Complex

I would like to invite you and your staff to a Coaches Clinic at the University of Tennessee, on Saturday, Jan 29, 2011. I promise you that the clinic will be very informative and will be structured for high school and summer team coaches.

The comprehensive sessions will incorporate much of what I have learned coaching at your level, at the college level for 24 years, and at the Olympic level for nine years. The sessions will include fundamentals, drills, and demonstration for each topic. The hitting sessions will include mechanics and specific circuit training drills that are guaranteed to make your athlete better.

We will also have specific sessions on the short game, defense, throwing, pitching, mental preparation, strength and conditioning. We will outline our practice plans and show you exactly how we run practices at Tennessee.

The material will be presented by our staff, to include our Sports Psychologist and our Strength and Conditioning Coach for Softball. We will provide handouts, as well as, provide certificates that should enable you to be reimbursed by your school and/or organization.

Karen and I look forward to visiting with you personally and developing a rapport that will help us all as we strive to be better mentors to our student-athletes.
